[Your Name] [Your Email Address] [Your Phone Number] [Your Address] [Date] [Company Name] [Company Address] Dear Hiring Manager, I am writing to express my interest in the Software Developer position at Google. With my strong background in Java EE, Spring Boot, and Azure, as well as my previous experience at Siemens, I believe I would be a valuable addition to your team. As a software developer with 2 years of experience at Siemens, I have had the opportunity to work on various projects and gain expertise in developing, testing, and documenting software solutions. My comprehensive knowledge of object-oriented programming and design patterns has allowed me to deliver robust and high-quality code. Additionally, my experience in project management has given me a strong understanding of the entire software development lifecycle. I believe that my skills and experiences align perfectly with the qualifications outlined in the job description. My proficiency in Java EE, Spring Boot, and Azure makes me well-equipped to define architecture, design functional specifications, and develop innovative software solutions. My pro-active, flexible, and innovative attitude enables me to adapt quickly to new technologies and collaborate effectively within a team. Moreover, I am attracted to Accenture's commitment to employee growth and well-being. I appreciate the emphasis placed on comprehensive health insurance coverage, inclusive work arrangements, and diverse learning and development paths. I am confident that my skills and dedication would enable me to thrive in such an environment. I am excited about the opportunity to contribute to Google's mission and make an impact through my software development skills. Thank you for considering my application. I look forward to discussing how my qualifications align with your company's needs further. Sincerely, [Your Name] [Your Email Address] [Your Phone Number] [Your Address]
